

Application Form: Mac Nelson Award

Amount: \$500

Deadline: April 15, 2016

Description of Award: Mac Nelson played an instrumental role in the development and growth of women's soccer on the North Shore. Having three daughters who played in the program, he believed that all girls should have an opportunity to continue to play the lovely game beyond high school. As part of his service to the community, Mac created the Women's Program at NSGSC – the largest women's program in the Province! In his role as Age Group Coordinator and dedicated volunteer on committees and working groups, Mac was instrumental in the construction of a state-of-the-art indoor facility ("The Bubble") – a facility that continues to serve the Club and the community. The NSGSC created this award to be given to a player in our Women's Program who follows in Mac's footsteps. This player will meet the following criteria:

- Registered in the Fall soccer season (September – April/May)
- Volunteers or works with NSGSC in any of the following capacities: events, committee, board membership, coaching, refereeing and related roles.
- Has a record of community service outside of the soccer community.
